

In the town there is few saw mills the first  
 there is one at the new part of the river  
 Two of them only in the winter there is 2 more  
 Mills which for the above reasons grind but little  
 The lands are so much the more is chiefly composed  
 of Town lots. — About 3 parts in 5 are  
 unsettled by a considerable part of the  
 land is waste land the quantity about 1000  
 Miles from Plymouth by 30 from Boston.
